

Breck
Breckenridge Ski Resort is made up of Five Peaks, each with its own personality and purpose.
Welcome!

Peak 10
13,639ft / 4,157m
Accessed by the 6-passenger Falcon SuperChair, Peak 10 is a hub of advanced trails from smooth groomers to moguls, glades and rugged natural terrain. If you've conquered the intermediate terrain of Peaks 7 and 9, this is the next peak to explore. All trails on Peak 10 lead back to the Falcon SuperChair, making it a great area to lap and stack up your vertical feet!

Peak 9
13,195ft / 4,022m
Progress your skills on Peak 9. The lower half of this peak offers mellow learning terrain while the upper half offers long and wide intermediate runs for cruising. As the closest base area to downtown Breck, start your day and end your day right in town.

Peak 8
12,998ft / 3,962m
The heart of the resort! From starting small to going big, Peak 8 has it all, including the highest chairlift on the continent, the Imperial SuperChair. First-timers and beginners should start at the Rip's Ride learning area and progress to 5-Chair, while experienced skiers and riders can head up the Colorado and Rocky Mountain SuperChairs. At the end of the day, ski and ride directly into town via the 4 O'Clock trail.

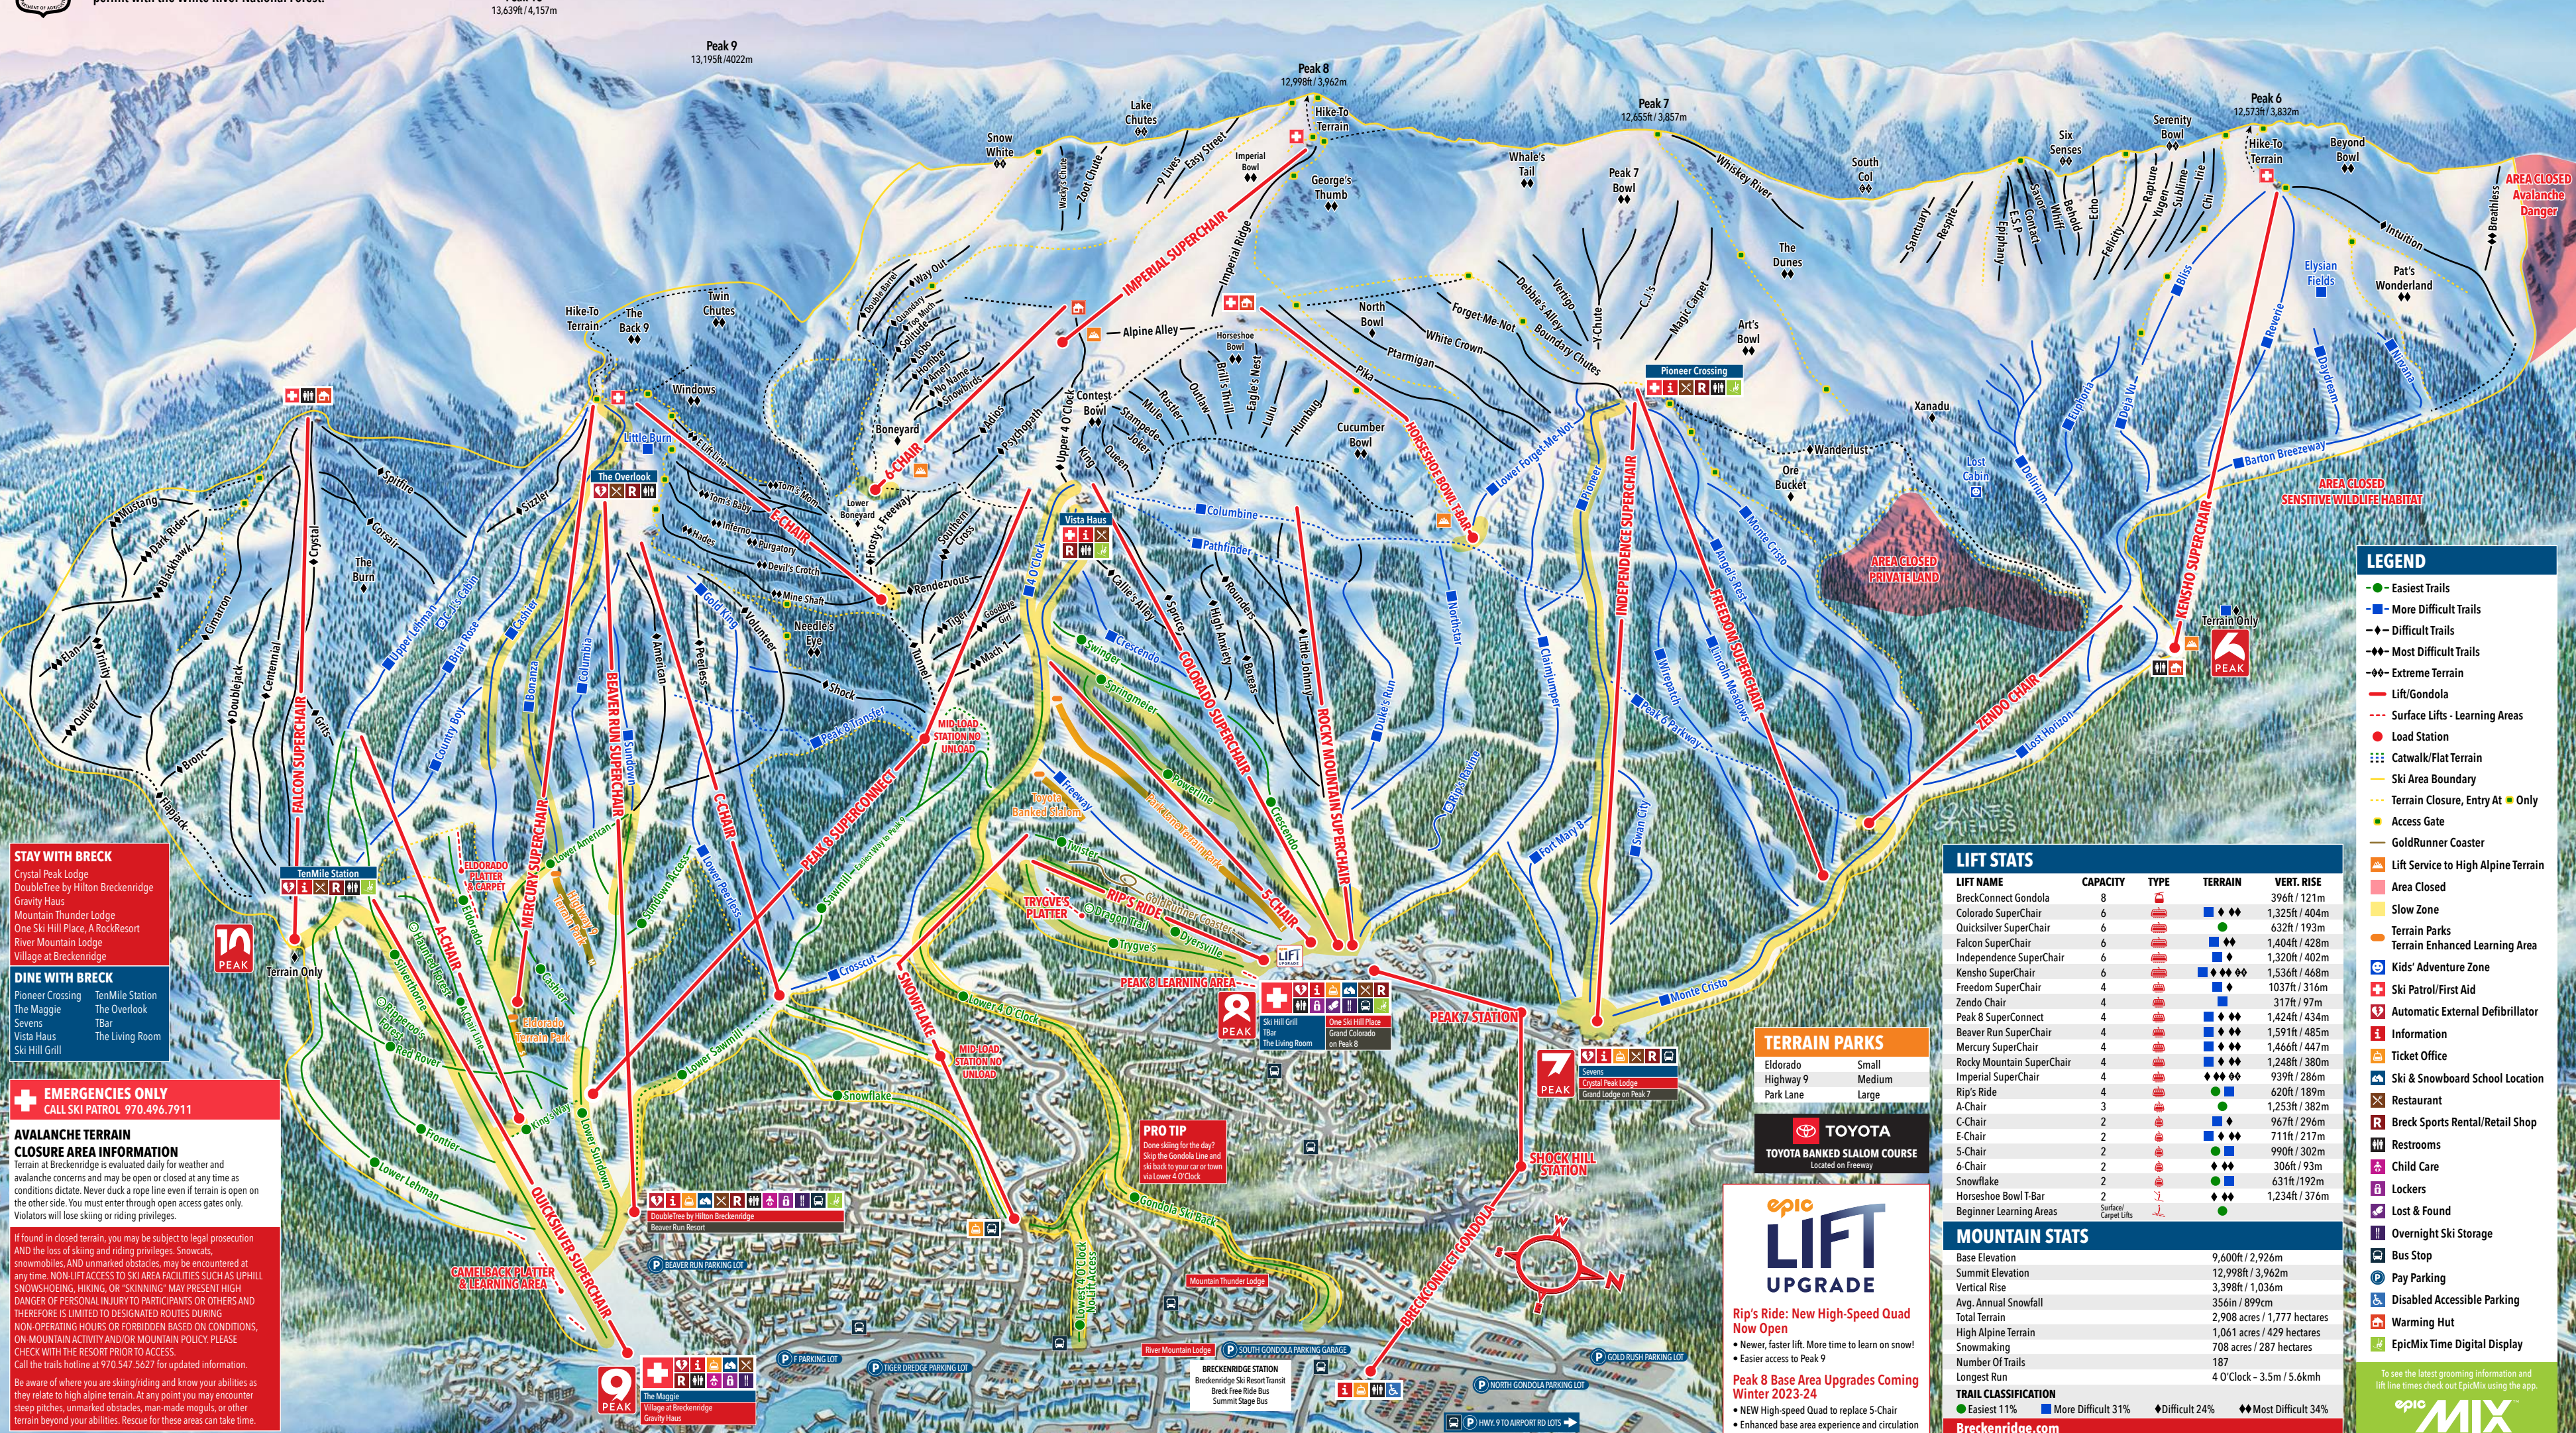

Peak 7
12,655ft / 3,857m
Hit the mountain fast! Peak 7 is a smaller base area and a great place to start the day on snow if you're ready to get up and go. Featuring intermediate-and-above level terrain, lower Peak 7 is a paradise of rolling groomed trails serviced by the Independence and Freedom SuperChairs. Take it up a notch and above treeline with the T-Bar and Imperial SuperChair. Find Peak 7 heaven in the high alpine, with steep and expansive bowl skiing.

Peak 6
12,573ft / 3,832m
The gateway to the high alpine at Breck. This is where experienced skiers and riders can go to get their first taste of the resort's high alpine, above treeline experience on trails like Bliss and Reverie, and where experts can take on heart-pounding, no-fall-zones in the Six Senses.

Breckenridge Ski Resort is operated under a special-use permit with the White River National Forest.

AVALANCHE TERRAIN CLOSURE AREA INFORMATION

Terrain at Breckenridge is evaluated daily for weather and avalanche concerns and may be open or closed at any time as conditions dictate. Never duck a rope line even if terrain is open on the other side. You must enter through open access gates only. Violators will lose skiing or riding privileges.

If found in closed terrain, you may be subject to legal prosecution AND the loss of skiing and riding privileges. Snowcats, snowmobiles, and unmarked obstacles may be encountered at any time. NON-LIFT ACCESS TO SKI AREA FACILITIES SUCH AS UPHILL SNOWSHOEDING, HIKING, OR "SKINNING" MAY PRESENT HIGH DANGER OF PERSONAL INJURY TO PARTICIPANTS OR OTHERS AND THEREFORE IS LIMITED TO DESIGNATED ROUTES DURING NON-OPERATING HOURS OR FORBIDDEN BASED ON CONDITIONS, ON-MOUNTAIN ACTIVITY AND/OR MOUNTAIN POLICY. PLEASE CHECK WITH THE RESORT PRIOR TO ACCESS.

Call the trails hotline at 970.547.5627 for updated information.

Be aware of where you are skiing/hiding and know your abilities as they relate to high alpine terrain. At any point you may encounter steep pitches, unmarked obstacles, man-made moguls, or other terrain beyond your abilities. Rescue for these areas can take time.
